

# Northumberland Street, Alnwick

**Project:** Refurbishment scheme for house in historic Alnwick. The project included reverting the basement to its original kitchen use and changing the existing kitchen to a study bedroom. A light well was cut into the living room floor to bring light down to the basement kitchen, and a new en-suite was installed to the master bedroom.

**Service:** Design, planning and building regulations submission.

**Client:** Fenton Brook

**Reference:** Natalie McCreedy

**Constr. Period:** 6 months

**Project Cost:**
