

Pelaw Grange Court

Project: New-build timber-framed family houses in Chester-Le-Street, County Durham.

Service: Full

Client: Fenton Brook Developments

Reference: Mrs Natalie McCreedy
Fenton Brook Developments

This new build project on a former back garden site provides a pair of semi-detached four bed family houses.

Consideration is given to comfortable family life whilst minimising build time and costs. The timber-framed construction includes garages and storage and stoves and natural daylighting help to minimise energy use.

Construction Period: 23 wks

Project Cost: £200K
